Mr. Edward A. Dunton  
6509 Wiscasset Road  
Washington, D.C. 20016

Dear Ed:

Thank you for your nice letter concerning my new appointment as DDCI. It is indeed going to be a tough one, but I look forward to it. I think there will be as many opportunities as there will be problems.

I value our friendship first begun at FEI. Let's keep in touch as the months and years go by.

All the best.

Faithfully yours,

E. H. Knoche
